GOD IN THE SCRIPTURES

BY
HERBERT LOCKYER

"It is in the Bible alone that we have the perfect unfolding of the nature and attributes of God. His nature is what He really is, while His attributes are the excellencies describing what He *has*. The One partially seen in His created works, is here revealed in all His glory. This Book of God convinces our minds of the reality of the God of the Book. Glorious things are here declared of Him Who transcends our thoughts and the praises of angels."
